

Talking confidentially to 300 high school students attending "Boys State" in Little Rock Tuesday Governor Sid McMath pointed out that schools really are more important than roads.

It is, of course, an exasperating truth. What else could an adult man say when making a speech before some youngsters?

And yet we have to have both education and good roads. The very system of consolidated schools depends on maintenance of all-weather highways so the busses can run.

The governor has a lot of people worried because he's prolonging his interest in secondary roads at a time when the primary highway system is in such bad shape that Northern travel guides are routing tourists around Arkansas. A lot of folks are worried, I say, because the trunk highways furnish most of the gasoline tax revenue which supports all roads.

We aren't unappreciative of the fact that Hope now has hard-surfaced highways north and south, but every citizen knows that something has to be done for the great transcontinental route U. S. 67 or Arkansas will face a decline in tourist-purchased gasoline — and it's this outside revenue which is the operating margin that our highways live on.

On Tuesday the state sold its third 7-million-dollar road bond issue (the total for the McMath program is to be 28 millions), and the lower trend of interest rates indicates the investment world has confidence we will work out of the present highway emergency. The first issue went at 2.35 per cent interest; the second at 2.18; and Tuesday's at 2.1. However, Tuesday's loan was a short one, payable in 10 years, accounting in part for the better interest rate. In the long run Arkansas will have to put her main highways in first-class condition, and keep them so, to hold such a favorable interest position — and every dollar saved on interest is released for our own use.

You realize how this 20th century of ours is wearing on when a strictly 20th century product such as the motion picture finds itself old enough to deserve a biography — not one but several, in fact.

"Valentino" opened at the Saenger yesterday for a two-day run, telling the story of the greatest male star of silent picture days. Before that we had "Sunset Boulevard," which brought back to the screen Gloria Swanson, a contemporary of the late Valentino.

And I got a kick out of a telegraph item which reported that Francis X. Bushman, matinee idol before the days of either Swanson or Valentino, was mobbed by admirers when he arrived in Chicago from Hollywood. His welcoming committee, The Cook County Chapter of the Grandmothers Club.

My memory of Bushman is pretty vague, although I did see a reprint film of his, co-starring Beverly Bayne, in the "Graustark" series.

Back in the early days of the movies, without today's perpetual war to worry about, we got disturbed over trifles. Elinor Glyn wrote "Three Weeks" and they threatened to throw both the author and the picture-makers in jail. Book and film were less salty than half the output of today's fiction clubs, and about as important.

Nevertheless it was a comfortable kind of movie to live in where the most threatening cloud on the horizon was a book.

Hope Youth Named a Representative

Little Rock May 31 — (P) — Jim my Arnold of Magnolia is governor of the American Legion boys state at Camp Robinson.

Arnold candidate of the Nationalists yesterday was chosen at an election yesterday his opponent was Mike Shaw of Fort Smith candidate of the opposing Federalist party.

Other officers included: Ben Hale (N) Athletic Lt. governor; Pad en Neely (F) Mesoboro State land commissioner.

Ralph Steele (N) West Helena was among those named associate supreme court justices William Martin of Hope was named a representative of Jefferson City.

Autos Damaged in Accident Here

About 8:30 a. m. today automobiles driven by Mrs. Thelma Moore and Willie Gamble, a negro, collided at the 4th and Laurel Street intersection. There was considerable damage to both vehicles but nobody was hurt.

TO VISIT PRESIDENT

Quito Ecuador May 31 — (P) — President Galo Plaza will fly to Washington June 19 for a three-day official visit with President Truman.

An official announcement said Galo Plaza will leave Guayaquil aboard the Independence. President Truman's personal plane.

MORE CASUALTIES

Washington May 31 — (P) — A defense department list identified 59 Korean casualties today. Of the total, 44 are dead, 15 wounded and 10 missing.

Local Girl Scouts Hold First Day Camp at Hope Fair Park

Pictured above are members of local Girl Scout and Brownie Scout troops who are participating in the first day camp ever held here. Activities start daily at 9:30 a. m. and end at 4 p. m. More than 150 including instructors, are taking part in the Fair park camp which closes June 1, with awards being passed out to the girls.

Mrs. William Everett is in charge. She is assisted by Mrs. Bonnie Routon, Mrs. Arch Wylie, Mrs. Fred Graham, Charlotte Hobbs, Mrs. Jim McKenzie, Mrs. J. V. Moore, Jr., Mrs. John Wallace, Marilyn Shiver, Mrs. Lex Helms, Jr., Mrs. Harry Shiver, Mrs. Virginia Carson, Mrs. John Harrie, Mrs. Margaret Archer, Mrs. Jack Gardner and Mrs. B. W. Edwards and others.

Iran Going Ahead With Plan to Take Over Oil

Tehran, Iran, May 31 — (P) — Iran's critical oil dispute snarled itself into a still tighter knot today as the government today told Britain it plans to go ahead with nationalization of its giant British controlled oil industry at once. It gave the Anglo-Iranian company five days to make any suggestions.

A memorandum to the giant British-controlled oil company last night left little hope of any solution to the problem, in the opinion of British observers here.

The memorandum was handed the oil company's local representative, R. Seddon, by Finance Minister Mohammed Ali Vazirani at the first meeting of a company official and a government minister since Iran passed the nationalization law a month ago.

The note, outlining "regulations for execution" of the nationalization law, said a three-man government board was going to Khuzistan province, site of Anglo-Iranian's operations, to run the nationalized industry.

An unconfirmed report in top diplomatic circles said national economist minister Amir Alai would be chairman of the commission, and that the group would go to Khuzistan within the next five days.

Observers noted the memorandum specified that all employees of the "former oil company" would "from this date (Wednesday) be recognized as employees of the Iranian National Oil company" — a government body.

Apparently Iran recognizes yesterday as the date of the turnover. British Ambassador Sir Francis Shepherd delivered a strong protest this morning to Foreign Minister Bagher Kazemi against expulsion orders delivered to two British journalists.

There were reliable reports that Iran has gotten up a list of other undesirable journalists and may sue more such orders.

Meanwhile, Iran's harassing tactics against the AIOC continued.

The government is refusing entry visas to all technicians, thus keeping out of meddling, thus ploying from entering the country. There was a report also that Iran is considering retiring more into her isolation shell by restricting the number of Iranian officials permitted to attend foreign diplomatic functions here.

Small Damage in Wreck Near Hope

A Bechtel Company truck carrying a large caterpillar tractor sideswiped a Grapelite truck early today on Highway 67 west just outside Hope City limits. The caterpillar overstepped and hit the driver of the Grapelite causing minor damage. Driver of the Bechtel truck was Tom Knigh and the other driver was named Watkins. The police...

Chris Cook Takes Marble Championship

Yesterday afternoon, at Fair Park, the Hope VFW Marble Champions knuckled down and took on all comers. Due to last minute cancellations, the finalist entries were very limited.

In the District 10 playoff Jack Tyus of Hopewell School took first place, with Jerry McCorkle and Chris Cook of Garland School taking second and third places respectively.

In the State playoff, young Cook outlasted and outplayed McCorkle in a tough game and won the right to meet the District Champion for the State Championship.

This game started out with a bang. Tyus got four of his needed seven, and it looked like a runaway for him, then he missed. Cook got two, and Tyus one more, and for the next few turns, neither boy seemed able to hit anything. Cook finally connected and got three to make it even, then forged ahead getting his sixth marble.

Tyus retaliated and got his sixth, and then they settled down for the difficult seventh, in which the player must shoot the marble out of the ring and at the same time must get his law out.

Both boys succeeded in knocking out the last one, but were unable to get their law out at the same time, and after much seesawing, Cook was finally able to knock out the last one and take the State title place.

In the playoff matches between Texarkana and Hope, the Hope lads took at three matches. Jack Tyus beat Roy Phillips, Chris Cook took a hard one, under head-lights over Jim Whittington and Jerry McCorkle made a nice win over Paul Stewart. The Texarkana lads were accompanied by their VFW Athletic Officer Paul Michael and Mrs. Michael. A fair crowd watched this tournament with great interest.

Cook will now go to Albuquerque, New Mexico next month to compete in the national tournament and a chance to win several valuable prizes.

CRUSHED TO DEATH

Marked ree May 31 — (P) — A 15-year-old girl who carried water to sweltering farm hands working in a cotton field near here was killed yesterday when she was crushed by a tractor.

She was Dorothy Smith daughter of Mrs. J. W. Bradley of Memphis. She was staying at the farm owned by her grandparents Mr. and Mrs. Lee Holt.

The farm hand said the girl had taken drinks of water to several of the tractor drivers and climbed on a tractor driven by M. C. Odum of Marked Tree to take a ride. She fell off as the tractor started and was run over by a rear wheel.

Potter wasps build beautiful nests like mud, and are very dangerous. They are very common in the country.

Hempstead Men Draw Sentences

Texarkana—Federal Judge Harry L. Lemley Wednesday handed out a total of \$20 years in prison sentences to 12 persons convicted of federal law violations.

Stiffest sentences of the day were given to two men convicted of transporting stolen cars across the state line. Each received a four-year term. They were Harold L. Burken, route 4, Texarkana, Ark., and John M. Johnson, Portsmouth, Va. Both have prison records.

Only two men drew suspended sentences. They were Seth Leon Logan Jr., Stumps and Claude Ogden, Negro, Washington, Ark. Each convicted of violating federal liquor laws.

This was the first time either had been in court as law violators and both had good reputations in their communities. Each was placed on three-year probation by Judge Lemley.

Others sentenced in the morning session of court:

James W. Johnson, Texarkana, Texas, Negro, 18 months for forging a \$60 government check (Johnson claimed he was drinking liquor at the time the committed the forgery here.)

Leonard Richard Patton, a white man, and Floyd Huntley, negro, convicted jointly for federal liquor law violations each drawing \$600 in fines and prison terms. (Patton drew two years, Huntley a year and a day. In addition both go on long probation terms upon expiration of their sentences.)

Caesar Ogden, uncle of Claude Ogden, a year and a day in prison in addition to a \$25 fine for a liquor law violation. (He goes on a three year probation at the end of the jail sentence.)

Other Williams and Jim Stuart negroes of Hempstead county, jail terms and heavy fines for liquor law violations. Williams drew a year and a day in jail and Stuart drew 18 months in prison. Both also were fined \$600 and are to go on five-year probation after their sentences expire.

Henry Columbus Rader, Buckner a year and a day in jail term plus a \$600 fine for a liquor law violation. After the sentence is served he will be placed on a three year probation.

Dorcy McRae Burns and Eliza Franklin Burns of Patmos, Ark., each drew 18 months in jail and \$600 fines for liquor law violations. Each will also be placed on five-year probation terms after release from jail.

At a short court session yesterday day Chancellor W. A. Speer urged the two sides to try to get together for a settlement of differences which led to the strike May 4.

A conference later yesterday apparently was fruitless however. The union is seeking to prohibit the strikers from mass picketing and from alleged interference with non-striking workers and movement of freight cars on a spur track into the plant.

The union also plans to picket the plant.

The union also plans to picket the plant.

Hempstead, Rest of State Need Rain

Little Rock, May 31—Growing crops are badly in need of rain throughout all of Arkansas, county agents' weekly crop reports indicated today. The situation is becoming critical in many areas, particularly in the east.

In Hot Spring county, Extension agent Jodie McMullen reported 25 per cent of the hay crop is being grazed because of short upland pastures resulting from the dry weather. Ticks and flies are serious there and pastures are rated by McMullen as far from poor.

Scattered showers in Garland county gave relief to most farmers in the area. Reports to the Agricultural Extension Service office revealed that Bradley county cotton is being replanted up to 70 per cent, and according to County Agent R. E. Hunter, that replanted is not germinating because of the dry weather.

Tomatoes in Bradley are of good quality and large clusters. Hunter stated that the crop is not yet showing signs of serious effects from the drought, but predicted the situation would be serious if dry weather continued for another week. Some lespedeza on ridges is dying from lack of moisture.

Upland corn is beginning to show signs of needing rain in Howard county according to the report of County Agent E. A. Hansen. Potatoes are suffering for rain and Hansen expects yields to be light if it doesn't rain soon. Livestock there are holding up well but drying pastures will soon affect them.

Crimson clover seed plots are ready to harvest in Hempstead county. Nights have been too cool for good growth. County Agent Oliver L. Adams remarked that the cool nights have been hard on watermelons.

Livestock in Clark county are becoming heavily infested with ticks according to County Agent LeRoy Barber. Upland pastures there are in need of rain while they are in good condition yet in the low land areas.

Negro Given Life Twice Plus 70 Years

Birmingham May 31 — (P) — One of the toughest sentences ever imposed in a burglary case was on court recorder here today.

Two sentences of life imprisonment plus 70 additional years in prison were handed by a circuit court jury for Willie Burdett, 27-year-old Negro convicted on seven counts of burglary.

The Jefferson county circuit court jury found Burdett guilty of a series of burglaries at Smithfield Negro housing project.

Police said Burdett entered apart ment only once before he was arrested and never stole more than \$10 or \$15 at a time.

The jury sentenced him on six counts of burglary for which he was given life imprisonment and 70 years in prison. He was also given 70 years in prison for each of the other counts.

Two Persons Are Hurt in Wreck on Highway 67

Two automobiles crashed head-on at Jim and Eva's Driveway, east on Highway 67 about 8:15 last night, injuring two persons and seriously damaging both vehicles.

One auto owned by Lee England and driven by Isaac Hunter was traveling east, pulled across the highway to the driveway and cut into the path of another traveling west and driven by Raymond Johnson of Brown, investigating city police reported.

Mrs. Johnson sustained head and chest injuries and Johnson's sister, Eola Johnson suffered chest, head and knee injuries. Neither driver was hurt, nor was a woman passenger of the England car, officers said.

Each car suffered about \$400 damage, city police said.

Officials Halt Removal of Shells

Deputy Prosecutor Royce Wolsenberger and Deputy Allen Shipper made a tour of the Proving Ground area today and discovered several instances where shells or parts of shells have been moved out.

Mr. Wolsenberger said that the army had covered over hundreds of old shells or fragments on the Lee Norton farm and that salvagers had been digging them up for scrap. He also indicated that Mr. Norton voluntarily said he would forbid any one from salvaging them in the future. He praised Mr. Norton for his cooperation.

Meanwhile the Deputy Prosecutor said he was writing army officials to send a man in to look over the shells, and if possible, dispose of them.

It is generally known that salvagers have at various times entered the fenced-in area of the Proving Ground and dug out shells.

Moral Arms Assembly in Sweden

Mackinac Island Mich. May 31 — (P) — A world assembly to sharpen the "moral rearmament of the nations" against communism opens here tomorrow.

Five hundred delegates are expected from 15 countries to testify that democracy is a better way of life than totalitarian communism. The conference will last through June 12.

This island's Grand hotel will be the meeting place for representatives of government industry and labor from many parts of the free world.

On the spacious verandas of the picturesque resort hotel built in the style of the gay '80s deck workers and coal miners will hobnob with world leaders. They will exchange ideas on steps to combat the ideological threat of world communism.

Members of the senate and the house of representatives will be coming from Washington.

Many are coming in response to an appeal from Senator Connally (D-Texas), chairman of the senate foreign relations committee; Rep. Richards (D-S. C.) chairman of the house foreign relations committee and other congressional leaders.

The invitation signed by leaders of congress declared:

"Your presence in the United States together with other distinguished leaders from Europe and Asia can do much to focus the attention of the American people at this time on the positive steps that can be taken everywhere to answer the ideological threat of world communism."

Reds Try to Sell GI Families

Washington May 31 — (P) — Rep. Keating (R-N.Y.) says U. S. Communists are trying to sell Red propaganda to the families of men captured in Korea.

Keating said on a broadcast last night he has learned Red agents are contacting families of servicemen reported missing in action and arranging for them to receive messages from their "disappeared" husbands or sons.

"The propaganda which the band of unscrupulous agents is using under some form of disguise to continue 'wages American' to their best to sell on the families or expressers is pure Communist aggression."

He said because the International Red Cross is barred from China it is not possible to obtain authentic pictures of war prisoners.

As a result, Keating said, the Red Cross is unable to provide the families of missing men with accurate information.

Red Resistance Mounts, Halts U. N. Advance

Tokyo May 31 — (P) — Red fighting with renewed fury against American advances today from the Communist strongholds of Chorwon and Hwa.

Other United Nations forces gained control of the 275-foot Hwehchon dam with complete ease.

Across the 125 mile front Allied forces slogged through the mud for slow gains or off sharp attacks.

The stiffest fighting was against American troops in the Yonchon area, a vital front line pointed at Chorwon, around 140 miles on the 275-mile sector.

Chinese units pitched a counterattack at dusk Wednesday against Americans in the area around Yonchon, 15 miles west of Chorwon. In a night battle the Reds pushed the boys off the ridges and sent them back 1,000 yards.

At dawn Thursday the Americans leaped to the attack. By night they had regained their position on the road to Chorwon.

Frontline officers estimated that two Chinese divisions stood between the Americans and the Red stronghold 60 miles north of Seoul.

Yonchon itself said AP correspondent John Randolph is a man's land. Americans patrolled by day Chinese by night.

The Chinese started their spring offensive prematurely May 22 to keep the Allies away from Chorwon. At that time U. N. were four miles away.

One of the announced objectives of the current Allied counter-offensive is to force the Reds to other premises.

During such offensives the Reds have been driven down to their last line of defense, a 150-mile-long line between Yonchon and Chorwon.

American and Chinese troops have been fighting since the start of the war.

Chinese and North Korean resistance to any approach to won and Kumsu. These have been their main areas and supply centers for the war. But Allied troops found going down to the rear of spearheads.

South Koreans had to fight large their crossing of the river, southwest of the Yonchon. Hereafter they had comparatively light opposition advances south of the 38th parallel.

Just north of the 38th parallel can troops be forced to fight. The Chinese and North Koreans have been fighting since the start of the war. The highway town is in the area between Yonchon and Chorwon about 10 miles to the rear.

4-H Clubs to Hold Annual Dress Revue

The 4-H Club Dress Revue will be held Tuesday morning, June 5, at the South Elm Street Hotel. It will be a show of the best of the 4-H girls in the county.

In the 4-H Dress Revue, the girls will show their best in dress, deportment, and general appearance. The girls will be judged on their dress, deportment, and general appearance.

The girls will be judged on their dress, deportment, and general appearance. The girls will be judged on their dress, deportment, and general appearance.

Some Areas Enjoy Cool Weather

Chicago, May 31 - 1951 - The south and most of the eastern part of the country fared best in the weather today. It was fair and warm in those areas but there was rain and cool weather in many other sections.

The cool weather extended over the Pacific northwest the northern Rockies and the northern plains eastward into the Lake Superior region. Temperatures dipped below freezing in parts of Montana and snow fell over the northern Rockies. Readings stayed below 40 in the area yesterday.

There were showers and thunderstorms over many parts of the central states. Two tornadoes struck western Nebraska communities yesterday killing one person and injuring 10 others. Heavy rain fell in parts of Nebraska. Hardest hit town was Haystack where several buildings were damaged.

The rehearsal dinner for members of the Benson-McGee wedding party will be given Saturday evening at 7:30 o'clock at the Barlow Hotel by Mr. and Mrs. H. E. Benson.

Monday, June 4
Y. W. A. of the First Baptist Church will meet Monday night at 7:30 o'clock at the church.

Notice

The pre-school clinic scheduled to be held at Brookwood School Friday, June 1 has been changed to the public health officer's office at the courthouse.

Buffet Luncheon
Compliments Miss Benson

Honoring Miss Betty Ann Benson, bride-elect of John McGee, Jr., of Hot Springs, Mrs. James E. Bean entertained with a buffet luncheon at noon Wednesday in the home of her aunt, Misses Marie and Nannie Perkins.

The hostess presented the honoree with a corsage of pink sweet peas and each of the twenty-five guests with a miniature carnation corsage. Informal games were enjoyed by the guests before luncheon.

Guests were seated at quarter tables. The dining table was centered with an oblong bowl filled with pink sweet peas, interspersed

with glowing pink tapers. After the luncheon guests were invited into the living room and Miss Benson was showered with many lovely gifts which were placed in a parasol in pastel colors.

Coming and Going

Mrs. Edward Bader and daughters, Rozann and Becky of Little Rock arrived today for the Benson-McGee wedding which will take place Sunday at 3 o'clock in the First Methodist Church. Rozann will be a junior bridesmaid.

Mrs. H. W. Hatcher and Mrs. Milton Dillard will go to El Dorado Saturday to attend the bedside of their daughter and sister Mrs. Devan Bolton who will undergo major surgery at the Warner Brown Hospital there Saturday morning.

Burlon Yates arrived Monday from Washington D. C. to spend a three weeks vacation with his parents of Blevins and friends in Portales, New Mexico.

Reverend and Mrs. J. D. Montgomery of El Dorado and James D. Montgomery Jr., of Cornudas, Calif., will be guests this week-end of Mrs. M. A. Holt and family and Mr. and Mrs. Hervey Holt.

Mrs. Albert C. Stonequist returned home Wednesday night from a visit with her mother, Mrs. Jean Nunn in Texarkana.

Richard Duffie spent the week-end at the University of Oklahoma Norman, Okla., with his brother, Don, who returned home for a two weeks visit here with his parents. Mr. and Mrs. J. M. Duffie before leaving for Florida to participate in the annual 6-week Naval Reserve Officer Training Corps fleet cruise.

INVITED TO CANADA

Windsor Ont. May 31 — (AP) — President Truman has been invited to visit Windsor if he gets to

Detroit across the border for the city's 230th birthday celebration.

Detroit is celebrating from July 1 to Sept. 1. The President has been asked to take part.

Windsor city controllers decided to send an official invitation to cross the border directly to the President

Coming and Going
John H. Smith and Matthew Smith of Los Angeles, Calif., are visiting their parents, Mr. and Mrs. Henry Smith.

Ray Wilson of St. Louis, Mo., is visiting his parents, Mr. and Mrs. N. W. Wilson.

Augustus Phillips of Chicago, Ill., is visiting his mother, Mrs. Green who is ill.

Personal Mention

Friends will be glad to know that Mrs. Mattie Nelson is doing nicely following an operation at Little Rock.

CURIOSITY KILLS CHILD

Yuba City, Calif., May 30 (AP) - Childish curiosity cost 7-year-old Sidney Prothero his life and nearly injured his sister, Katina, as the children went to a neighbor's yard to play today.

They found three sticks of dynamite. They ripped the paper off two sticks and presumably were trying to ignite the powder. The third stick exploded.

The world's oldest "carbon copies" are prints in shale of carbonized plants that lived 250,000, 600 years ago.

INSURANCE PLUS SERVICE

"Insurance Plus Service," is a slogan our Agency has used for many years, and it is not merely a slogan but it is the very foundation of our business. Our many satisfied customers will testify to the prompt and fair manner in which we handle our claims. In the majority of cases, claims are handled personally by the members of our firm without delay or red tape.

ESTABLISHED 1926

This business was established in 1926, by the late Mr. E. S. Greening. It has been in continuous operation since that time, and is the oldest Insurance Agency in Hope. At the present time, the business is owned and operated by Alice M. Greening, widow of E. S. Greening, J. C. "Ched" Hall, Frank J. Hill and Fred O. Ellis.

REAL ESTATE

In September, 1949, Mr. Frank J. Hill became associated with our firm and we organized the GREENING REALTY COMPANY. This business has grown steadily and this Company is now one of the leading Real Estate Companies in Hope.

LIVESTOCK INSURANCE

Our community is rapidly developing a good livestock industry, and a number of farmers and ranchers have purchased expensive bulls and cows. Our Agency writes Mortality insurance on livestock at a 6% rate, in the Hartford Livestock Insurance Company. Mr. Frank J. Hill has been appointed by the Hartford Insurance Company to inspect livestock for insurance and he has authority to pass on any single risk up to \$3,000.00 insurance. We are one of the few insurance agencies in the entire country that has a member of the firm who is qualified to make these insurance examinations, and this is a very great convenience and service to us and our customers. A number of farmers and ranchers in our trade territory have bought livestock insurance from us and we believe this business will continue to grow as the farmers and ranchers continue to build up their herds with better bulls and cows.

A SPECIAL RATE FOR FARMERS—

Liability Insurance (5/10/5) on your Car or Pick-up
for only:

\$20.63*
Per Year

This is capital stock insurance with a company rated "A" by Best's Insurance Guide.

COMPARE this rate with others — we believe you will find it to be the lowest rate in Hope.

No Hidden Charges — No Policy Writing Fees — JUST — \$20.63 per year.

*Note — This rate is based on statement by you that no operator of vehicle under 25 years of age resides with you.

THE PEOPLES LOAN & INVESTMENT COMPANY

For sometime, a number of local business men have recognized the need for a local finance company to purchase appliance papers from the dealers in the Hope trade territory. In January, 1950, our firm organized such a Company, with the help of several of these local business men, and we now are buying appliance paper from dealers in Hope, Prescott and Washington. Also, we are buying some automobile paper from local automobile dealers. In addition to that, we are making direct loans on automobiles and a number of our friends and customers have borrowed money from us to buy automobiles, refinance them, and have borrowed needed money by using their automobiles as collateral. This business has grown rapidly and will continue to expand as our need for additional operating capital is met. A number of people in our community have invested their money with this concern in Preferred Stock, and we will continue to solicit these investments as our need for operating capital grows.

OUR COMPANIES

As most of the people already know, this Agency has never represented anything by Capital Stock Insurance. "When you have a loss, you are glad you bought the best" is a slogan we have used on our invoices for a number of years, and we point with pride to the fact that we represent some of the largest companies and groups of companies in the insurance business. We give you below a partial list of these companies:

Hartford Accident & Indemnity Co.	Phoenix Insurance Co.
Maryland Casualty Company	Insurance Co. of North America
St. Paul Companies	The Great American Ins. Co.
Manufacturers Casualty Inc. Co.	Provident Washington Ins. Co.
American Casualty Ins. Co.	Camden Fire Ins. Association
America Fore	General Insurance Co. of America
Loyalty Group	National Fire Ins. Co.
New Hampshire Fire Insurance Co.	New England Fire Ins. Co.

CONVENTIONAL LOANS

The biggest problem we have in our business today is the adequate facilities for handling farm loans. We have a direct connection with a big Life Insurance Company that has been working with us very well and in the past year or so, we have been able to handle some good farm loans on a 10 year period, at a fair rate of interest.

FHA AND GI LOANS

Our loan facilities include connections to handle both FHA and GI Loans. Our FHA set-up is a very good one. We do business direct with a Life Insurance Company in Little Rock, who is buying these FHA loans and the service is excellent. We have found that they give us the fastest service of any company that we know about. GI Loans are expensive and slow, but we can handle these loans and have handled a lot of them in the past. These facilities are available to you and we will be glad to cooperate with you in every way possible.

HOPE FEDERAL SAVINGS & LOAN ASSOCIATION

In 1934, Mr. E. S. Greening, and a number of other business men in Hope, organized the Hope Federal Savings & Loan and the Greening Insurance Agency has served as the office for this Association since that time. Hope Federal has approximately \$300,000.00 in First Mortgage Real Estate Loans in Hope, and the Hope trade territory and many of the citizens in our trade territory have used Hope Federal to build and buy homes and to make repairs on homes, and for many other needs. Hope Federal has been a great factor in helping to make this a better community.

PRICE IS IMPORTANT but we Do Not Believe it should be the ONLY Consideration. It is the Policy BEHIND the Policy that Really Counts.

Regulars and Nashville Tie 9-All

Hope Regulars tied with the Nashville Giants last night at the Hope City Park.

The game was called because of darkness. They played nine innings, score 9 and 9. They will be scheduled to play later on another date.

Hope Regulars will play a League game Friday night with the Gurdon Panthers.

Game time 8 o'clock.

Box score for last night:

MISSIONARY DEPORTED

Taipei Formosa May 31 — (AP) — Nationalist press reports said today an American missionary was deported May 18 from Chengtu in Red China after four months in prison.

The reports said a Communist broadcast from Chengtu capital of Szechwan province identified the missionary only by the Chinese name of Pao Tien-pao.

Gurdon Nine Outlasts Hope in 12th, 4-2

In a half game that was about as good as any fan could ask the Gurdon-Curtis nine outlasted the Legionnaires to score a 4 to 2 victory in 12 innings at Fair park last night.

The contest was nip and tuck all the way with both hurlers giving up only 7 hits each. Jack Crawley, Gurdon's pitcher, gave the visitors a 1-run lead.

In the second Hope tied it up on Caldwell's single and went ahead on White's one-run single in the third. A walk, an error and a single tied the game at 2 all in the 7th.

It stood that way until Gurdon scored a pair on two walks and two singles in the 12th.

May Drouth Is Getting Serious

Little Rock, May 31 — (AP) — The crop reporting service has noted officially what Arkansas farmers already knew — that the state's May drouth is becoming serious.

"Drouth conditions will soon become critical except perhaps in a few scattered sections if rain is not received soon," the service said yesterday.

Cotton planting is complete in some counties and almost complete in others the service said. It added that a considerable acreage has been replanted and late planted cotton will not germinate in many areas until it rains.

The report noted that the straw berry harvest is over except in Searcy county and in the north west.

Seeding of rice is nearing completion.

Only one two-billionth part of the heat given out by the sun is received by the earth.

PRESCOTT NEWS

Thursday, May 31
The Prescott Chapter, Order of Eastern Star will present the Lee White Quintet in concert at the Park School Auditorium.
The Lee White Quintet, which is very popular in this county as well as adjoining counties is composed of Mr. and Mrs. Tom Watson White, Mr. Gene Lee and Mr. Bussey Lee. Mrs. Vivian Moore Gowen is accompanist.

There will be prayer meeting at the Church of the Nazarene on Thursday evening at 7:45 o'clock.

The following services will be held at the First Baptist church on Thursday evening: Teachers meeting 7 p. m.; prayer meeting 7:45; choir rehearsal 8:30.

The Youth Fellowship of the Presbyterian Church had charge

of the evening worship on Sunday evening.
Mr. and Mrs. W. A. Norton, sponsors arranged the program on "Prayer."

Mrs. Gladys Smith of Bradley is the guest of relatives.

Mr. and Mrs. Elwood Robinson and daughters Betty Lynn and Jenny of El Dorado were the week-end guests of Mrs. Mollie Robinson.

Mrs. Birdie Wells has returned from a visit with relatives on the west coast.

Mrs. Mann Kennedy of Springfield, Ill., has been the guest of her parents, Mr. and Mrs. J. H. Wade.

Miss Hazel Matlock has returned from Bakersville, Calif., where she spent several weeks with relatives.

Mr. and Mrs. Allen Gee Jr. and children of Hope were the Sunday guests of their parents, Mr. and Mrs. J. A. Yancey and Mr. and Mrs. Allen Gee.

Mr. and Mrs. C. A. Grant Jr. and daughter Charlotte of Little Rock have been the guests of their parents, Mr. and Mrs. C. A. Grant Sr. and Mr. and Mrs. J. D. Atkinson.

Mrs. Eleana Wells had as her guest for the week end Mrs. Ed Cantley of Hot Springs.

Mr. and Mrs. Floyd Hubbard spent the week end in Little Rock with Mr. and Mrs. Tip Harris.

Mr. and Mrs. T. C. McRae Jr. and Mrs. J. T. McRae have been the guests of Sgt. and Mrs. Don Salter in Belleville, Ill. Mrs. Salter and son Tommy accompanied them home for a visit.

Mr. and Mrs. Henry Moore have returned from Washington, D. C. where they were the guests of Lt. Col. and Mrs. K. M. Lemley and Cleveland, Ohio where they visited Lt. Col. and Mrs. H. S. Streeter.

Miss Addys Brown and Miss Jimmie Nicholas attended a horse show in Germantown, Tenn., over the week end.

Mr. and Mrs. P. D. Whitaker and children Susan and Bill have arrived from Corpus Christi for a visit with their parents, Mr. and Mrs. Norman Whitaker and Mr. Martin Guthrie.

Mrs. S. B. Gee and Miss Artie Gee attended the commencement exercises at East Texas State Teachers College on Sunday at which time Roy Carr received his Bachelor of Science degree. Mr. and Mrs. Carr accompanied them home.

Mr. and Mrs. Leo Kinney and their guests, Mr. and Mrs. Tom Cameron Jr., of Dalton, Ga., spent last week in Hot Springs.

Rex Carpenter of Mexia, Texas was the week-end guest of friends.

Mr. and Mrs. Horace Jones and Mr. and Mrs. A. P. Jones motored to Conway Sunday for the commencement exercises at State Teachers College. Miss Sue Jones

U. S. Jets Down Two Red Planes

By NATE POLOWETZKY

U. S. 5th Air Force Headquarters Korea May 31 — (AP) — Allied jet fighter pilots today destroyed two Russian-made MIG-15 jets and damaged another in a clash over Simanju northwest Korea.

The American jet pilots in F-86 Sabres were flying over for two B-29 Superfortresses when they were attacked by 12 Red jets.

The MIGs swooped in from about 10,000 feet. The Sabres rained them before they could inflict any damage on the bombers.

No Sabres were damaged. The Sabres were from the fourth fighter interceptor wing which now claims 22 MIG destroyed six probably destroyed and 48 damaged.

One of the destroyed MIGs was credited to Lt. Bobbie L. Smith of Diamond Mo. He also shared credit for the other kill with a

who received her Bachelor of Science degree accompanied them home.

wing man Lt. Otis (Flash) Gordon Jacksonville Fla. Gordon previously had been credited with one MIG damaged. Smith's bag was his first.

"We beat off the MIG attack on the B-29 twice," said Smith. "I scored first as I made a head-

pass hitting the MIG with bursts in the left wing. He was smoking badly when I turned after a couple more of them that were also trying to get in at the bombers.

"I fired and hit the lead MIG. Then Flash really plastered the wing man. The damaged MIG

wing man broke away and headed toward home and we both took after the leader. I hit him several times and the MIG began to smoke and wobble. I ran out of ammunition at this point and Flash moved in and scored on the guy with hits all over him."
